

N. W. O. A. League Schools to Pick All-Star Football Team This Year

Selection of an all-star Northwest Ohio Athletic league football team through an "all-opponent" rating system was decided upon at a meeting of the league in Wauseon Monday evening.

The league also selected Fri-

day, May 11, as the date for the annual league track meet.

W. A. Howald, Montpelier, was re-elected president and Minor Kershner, Liberty Center, was named secretary.

In determining the all-star team, each school will select by its own method all-opponent first and second teams. Players named to the first string will receive 15 points; to the second team, seven points. Results will be tabulated by the league secretary and the player receiving the highest number of points for his position will be named to the all-star eleven. A second team and an honorable mention group also will be announced at the close of the balloting.

Defiance was represented by Principal Harold H. Cook; Coach Joe Demyan and Faculty Manager Don Lanning. Richard Oxley, industrial arts instructor, accompanied them.
